

WOMEN'S HUB@WORK

Empowered women rise together

**WOMEN'S HUB @ WORK:
OPENING A SPACE FOR
WOMEN TO CONNECT DEEPLY**

Workplaces where women thrive are workplaces where everyone reports **higher levels of satisfaction and support.**

With WOMEN'S HUB@WORK we designed a concept to support **companies** in developing the **full potential** of their female **employees.**

We provide a safe space for **exchange**, create **deep connections**, give **inspiration** and a **stage** for your employees to be seen and heard.

LIFTING
OTHERS

WHY WORK WITH THE WOMEN'S HUB?

Due to the pandemic, employees report more stress and isolation. The WOMEN'S HUB offers a **proven format as an antidote to these challenges** that will boost your female employees' sense of connection, confidence and inspiration.

From our more than four years of experience, we have distilled the magic of the WOMEN'S HUB community into **virtual WOMEN'S HUB SESSIONS for companies** by creating a safe space for your female employees to **connect deeply** with each other on a relevant topic, **get inspired** and **thrive** through a shared experience, **beyond roles**.

YOUR EMPLOYEES WILL ...

- reinvigorate and **strengthen their connections** with their colleagues
- boost their **confidence** and **commitment**
- experience your **company's values** on a deeper level
- renew their sense of **engagement** and empowerment
- get **inspired** through storytelling from a WOMEN'S HUB approved speaker

OUR COVID-PROOF FORMAT IN A NUTSHELL

Women's Hub

- A single or a series of **1.5 hour virtual sessions**, hosted by a company representative and a WOMEN'S HUB representative.
- **DIVE IN:** Dive into a topic, curated upfront with you, together with an expert speaker.
- **TO YOU:** Coaching exercise to prepare for the breakouts.
- **TOGETHER:** Guided breakouts - a safe space to exchange experiences, thoughts and ideas in small groups.
- **BE GUIDED & GROW:** Q&A and reflections.

AND IN

LIFE-AFTER-COVID...

Together we create a thoughtfully curated WOMEN'S HUB DAY @ your company

- A full day where women can engage beyond their roles and get a chance to shine on stage
- Kickstart or reboost your women's community

FEEDBACK FROM OUR CLIENTS

Women's Hub

INCREASE OF MENTAL RESILIENCE

"I left the session with a feeling of having found my ground again. I had felt lost in the ocean before and somehow you managed to create the island I needed."

DEEPENED CONNECTION

"I was impressed about the depth in such short time."

WELL-ORGANIZED

"Such a great format! The combination of the inspirational talk, the coaching exercise and the breakouts is very powerful!"

SHOWCASE

Women's Hub

CLIENT: Salesforce Germany

Format: Virtual WOMEN'S HUB
Session for their female employees in
Germany.

Topic: "And me? The balance between
self-love and (self-)responsibility".

Feedback from participants:

"I thought it was great and I was still upbeat the whole evening. Sometimes it just helps to realize that so many other women have exactly the same questions in life and are facing the same challenges."

"Takeaway: what my passion is, what I have achieved with this in the past weeks and what I plan for the coming week based on this passion."

"Super good! Would love to have more of this!"

MORE ABOUT THE WOMEN'S HUB

Women's Hub

"Your space to thrive. Your stage to grow. Your community to rise by lifting others. Your movement to change the world."

The WOMEN'S HUB is a vibrant community that fosters collective growth. Our goal is to support each other in becoming the boldest, truest version of ourselves - whatever that looks like for each of us. We empower each other, both personally and professionally. We believe being vulnerable makes us stronger.
